The Afton Downs Web Site is up and running! Our Web Site was designed and created with the entire community in mind. It is our hope that this Site will make Afton Downs homeowners feel more of a part of the community at large, to feel welcome to share with each other, and to read up on what's going on in Afton Downs.

This Web Site not only is informative but it is yet another tool that will help raise a sense of community among residents, thus creating pride in one's neighborhood. This can result only in the increase of our property values and the increase of interest in our community, not just internally, but also from realtors and future buyers.

On the Afton Downs Web Site, you can get recent and up-to-date information on Covenants, ACC business and Social Events; you can read past Newsletters; get Contractor Referrals; see Properties for Sale; and view Neighborhood Classifieds and more...all complete with photos.

This is **YOUR** Web Site, provided to you by Afton Downs Homeowners Association! Give us feedback, let us know what you want to see on it, what information is important to have on the Site, and visit the Site often to see what's going on in your neighborhood.

**A big "thank you" to Fara Gindin!** She has donated countless hours in creating, designing and registering our new Web Site. Fara also will maintain the site, please direct comments and feedback to her at [faragindin@yahoo.com](mailto:faragindin@yahoo.com). *Thanks again, Fara, your all your help!*
